We, Excel Diagnostic Center, are dedicated to professional medical diagnostics. We began our operations in 2000 at Adimaly, Idukki district, Kerala and over the years, we have grown strength to strength. Serving customers over the last four decades, we have earned the trust of our customer, doctors, hospitals and other healthcare institutions. Blessed with a talented and highly motivated team of Professionals, Administrators & Paramedical staffs, we are always obligated to fulfil our responsibilities to the society with a mission. We understand the complexities of delivering high-quality diagnosis which requires specialized skills and proven methodologies. With Empathy, Integrity, innovation and Transparency at our core, we look forward to serving the absolute best in diagnostics.
